# Commissioners' Report.

---

To the Citizens of Coos County :

In accordance with the laws of the State of New Hampshire, we herewith submit for your consideration our report for the year ending Dec. 31, 1913, together with a statement of the financial standing of the county and the report of the various county officers.

## County Farm and House of Correction.

Mr. and Mrs. Edw. C. Fuller having served as superintendent and matron of this institution for sixteen years, felt that they should not longer assume the responsibility and resigned to take effect April 1, 1913.

We secured the services of Mr. and Mrs. Irving E. Bedell of Jefferson to fill the vacancy and we are confident that they have endeavored to accomplish the end for which the institution was established: to furnish everything comfortable for the inmates, kindly care for the sick and perform the duties of their positions in a businesslike manner.

The sick have been cared for by a trained nurse under the direction of Dr. G. W. Barbour.

## County Poor Away from Farm.

Under this head are the county poor who are aided in their homes rather than at the farm, and in most cases are people who have children to support. Giving aid to this class is a problem that requires a personal investigation in every case to determine whether or not those seeking help are deserving of it, as there are those who seek help making little or no effort to earn their own living or to provide for those dependent upon them. While we stand ready at all times to spend the county's money in deserving cases, we try to guard against being trapped by those not deserving.

## Support of Dependent Children.

This account continues to increase each year and is giving the commissioners a great deal of trouble, for placing children in suitable homes means as far as possible a personal investigation and this requires time. With the increase in population we can hardly look for any improvement in this department.

During the year we paid and retired county bonds to the amount of \$5000.00 leaving \$15,000.00 of the Berlin Court House bonds outstanding. We also wish to call attention to the fact that a reduction has been made in the county taxes of \$10,000 for the years 1913 and 1914.

Court expenses (over which we have no control) have increased this past year, and we fear that the court expenses for the year 1914 will be the heaviest for many years if not in the history of the county.

We have inserted in the first part of this report a copy of the records of the proceedings of the last county convention held at Concord during the last session of the legislature as required by law, which will explain itself.

The building committee on the new jail and house of correction advise us that the new building will be completed in April. This building was badly needed. It has been almost impossible to handle the large number of prisoners that we have had the past year in our present quarters.

Your commissioners desire to publicly thank the selectmen and overseers of the poor and all who in many ways have rendered their valuable assistance. We have labored hard to perform the duties involved upon us and to see that the taxpayers of the county received full value for every dollar expended.

Respectfully submitted,

J. P. BOUCHER,

J. A. VAILLANCOURT,

A. C. HICKS,

Commissioners.

# Physician's Report.

---

To the Commissioners of Coos County:

Gentlemen:—I respectfully submit to you the report of physician to Coos County Farm for the year 1913.

With a few exceptions the deaths have been due to chronic diseases or conditions incident to old age.

There have been a few cases of acute disease, all of which made rapid recovery.

The general health of the inmates has been very good, and the feeling among them has been that of appreciation in the most part. The advantage of a resident trained nurse is very noticeable in caring for the helpless and in treating cases that would otherwise be impossible to treat satisfactorily.

The sanitation in and around the buildings has been excellent.

## Chaplains' Report.

---

To the Honorable, the Commissioners of Coos County,  
New Hampshire:

Gentlemen: The religious duties of the Chaplain of the County Farm Home for the year 1913 were performed through the month of October by Rev. J. W. Lees in his capacity as pastor of the West Stewartstown Congregational church, after which they were performed by myself in the capacity of supply for that church. with the co-operation of Superintendent and Mrs. Bedell. Mrs. Force Moore contributed her most acceptable services as organist, as previously, and Mr. John Carbee and others faithfully and efficiently assisted in the singing.

Respectfully yours,

E. W. WILD.

Lancaster, N. H., Feb. 6, 1914.

Groveton, N. H., Jan. 23, 1914.

Coos County Commissioners:

Gentlemen:—In acknowledging receipt of twenty-five dollars for attending County Farm, I wish to say I visited the Catholic people as often as possible and that the superintendent and matron were always glad to send for me and give every attention when requested to do so by any of the Catholic residents.

Yours sincerely,

W. J. CAVANAUGH.

Of those indicted, Fred Dumphrey, charged with larceny, plead guilty and received a sentence of sixty days in the County Jail.

Frank Tillotson, indicted for bribery at elections, plead not guilty and his case was continued to the September Term of Court.

Charles Luska and Vatstoro Gabitoski, indicted for being present at a place resorted to for gambling, plead not guilty and their cases were continued.

At the September Term the Jury returned nine indictments :

Manslaughter.....	1

At the September Term the cases of State vs. Tillotson were tried and the Jury returned a verdict in both cases of not guilty.

The case of State vs. Morris Israels, charged with obtaining money by false personation, was tried and the respondent was found not guilty.

State vs. Nathan Bean, charged with arson, was tried and the respondent was found guilty.

Oliver Bean and David Bean both plead guilty to the charge of arson.

Nathan Bean received a maximum sentence of ten years in the State Prison at Concord. Oliver Bean received a maximum sentence of fifteen years in the State Prison, and the case of David Bean was continued for sentence.

At the December Term of Court the Jury returned four indictments:

At the December Term of Court the case of State vs. Gideon Poulin, indicted for manslaughter, and continued from the September Term of Court, was tried. The Solicitor in this case was assisted by the Attorney General. The respondent was acquitted.

The cases of State vs. Luska and Vatstoro Gabitosky, continued from the April Term, were tried and the respondents were acquitted.

The case of State vs. Gulbin, who was indicted at the September Term, 1912, for keeping a disorderly house, was tried and the respondent was convicted. The Court imposed a fine of \$25.00 and costs and sentenced Gulbin to sixty days in the House of Correction, to be suspended during good behavior.

In the case of State vs. Ahner, the respondent plead guilty and was sentenced by the Court to a term at the State Prison.

In the case of State vs. Lindsay, the respondent plead guilty to larceny and his case was continued for sentence.

In the case of State vs. Cameron, who was indicted

for cheating and defrauding, Cameron plead not guilty and his case was continued.

In the case of State vs. The Town of Colebrook indicted for defective road, the town appeared and the case was continued.

Of the five cases on the docket April 1, 1913, all have been disposed of but one.

# Auditors' Report.

---

We hereby certify that we have carefully examined the foregoing accounts of the County Commissioners, Treasurer and Superintendent of the County Farm, and find them all correctly kept and the sums paid out properly vouched for; and that the sums charged therein for articles purchased are according to the market value and that such articles have been used for the benefit of the county.

We do not, however, agree that the net indebtedness of the county is only \$9,503.75, as shown by the financial statement of the Treasurer and the Commissioners. Our computation shows it to be \$45,000.00, being the amount of the outstanding bonded indebtedness, which is taken from their books and from their financial statement as set forth in their report.

## LIABILITIES.

Court House bonds	\$15,000 00
Jail at County Farm, bonds issued last November	30,000 00
Outstanding orders	3,032 82
Total Liabilities	<u>\$48,032 82</u>

## ASSETS.

Cash on hand	\$36,695 34
Uncollected taxes	1,833 73
Total Assets	<u>\$38,529 07</u>
Deducting the assets from the liabilities leaves a balance of which is claimed as the net indebtedness of the county.	\$9,503 75

A large part of the cash on hand was received from the bonds issued for building the jail at the County Farm, now and for some time, in process of construction, and must be used for that purpose not in payment of any part of the bond issue. Consequently, the building of the jail referred to will absorb \$30,000 of the cash on hand, less what payments of cash that have already been made on that account, which amount to \$10,000. While it is true that the County will have the building in lieu of the cash, still the bond issues will be outstanding and unpaid. After deducting the cost of the jail from the cash on hand, the balance will have to be used in paying the outstanding County orders shown to be \$3,032.82, and the current expenses of the County, until the taxes of 1914 are paid into the County Treasury, which, according to past experience no part of which will be paid earlier than August 1914.

Thus it will be seen that no part of the cash on hand will, or can be, applied in payment of the outstanding bonds. Consequently the net indebtedness of the County must be the amount of the two bond issues, \$45,000.
